

# The Fifth meeting of BISMis 2021 – New Challenges in Microbial Systematics- First Announcement

After the inaugural meeting at Beijing, China and successful conference series of BISMis at Scotland, India, and South Africa, the fifth BISMis 2021 will be hosted at Guangzhou, China from 15-18 Oct 2021 by Sun

Yat-Sen University. The conference is back to China after a decade and this time it will be organized by Prof. Wen-Jun Li and his team. Details of registration, fees, and accommodation will be provided on the BISMis website in due course. The meeting will provide an excellent opportunity for global participants to share their ideas and meet the experts in the field.

The meeting will be held at Sun Yat-Sen University campus hotel which is situated on the bank of the Pearl river and close to Canton Tower which is the fourth-tallest freestanding structure in the world. Right across the river, is the Asian Games Park and Zhu Jiang

New Town, together with the Guangzhou Opera House, Library, No.2 Children's Palace and Guangdong Provincial Museum.
