

# Fifth Meeting of BISMIS 2023

## *Microbial Systematics in Meta-Data Era: Opportunities and Challenges - First Announcement*

international conference

# BISMIS

**Nov 5-8<sup>th</sup>, 2023**

Yuexiu International, Congress Center  
Guangzhou, China

## *Meta-Data Era*

After the inaugural meeting at Beijing, China and successful conference series of BISMIS at Scotland, India, and South Africa, the fifth BISMIS 2023 will be hosted at Guangzhou, China from Nov 5-8<sup>th</sup>, 2023 by Sun Yat-Sen University.

The conference is back to China after 12 years and this time it will be organized by Prof. Wen-Jun Li and his team. Details of registration, fees, and accommodation will be provided on the BISMIS website ([www.bismis2023.com](http://www.bismis2023.com)) in due course.

The meeting will provide an excellent opportunity for global participants to share their ideas and meet the experts in the field.

The meeting will be held at The Guangzhou Yuexiu International Congress Center which is close to the Yuexiu Park and Museum of the Nanyue King of Western Han Dynasty which is the National first-class museums.
